If someone calls the municipal office inquiring about rental properties in Ashmore, may we give out your phone number? _____

When your renters move out and discontinue their water service, would you prefer the water service to be switched to your name or would you prefer that the water service be temporarily stopped? Choose one of the following options:

- I prefer to keep the water connected, and switch it to my name
- I prefer the water service to stay out of my name. Please disconnect the water between renters.
- I prefer the water service to stay out of my name. Please disconnect the water between renters, except during winter months (December 1 through March 31) when freezing may occur.
- I prefer that you call me any time a renter moves out so I can make a case-by-case decision.

I hereby certify that the information provided is complete and accurate to the best of my knowledge. Failure to provide accurate information or the intentional falsification of information may result in denial of water service and/or referral to the appropriate law enforcement agency.
